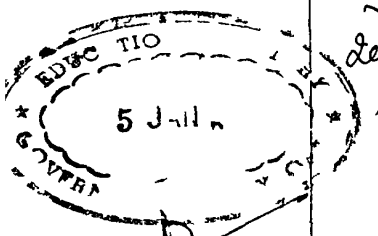
Re Transfer of Provident Fund to the credit of Employees of Electrical Department, Bellary

---



Returned to the Secretary to Government, Education and Local Self Government Departments, Bangalore

Refund of Municipal Provident Fund accumulations to the respective employees in the Electrical Department, Bellary, can even now be done as the Revocation of Bellary Electric License 1921 to Madras Government was without any commitments in respect of any privileges that might have accrued to them during their service under the control of the Municipal Council upto the 10th May 1950 As such, since the Bellary Municipal Council is stated to have resolved in their resolution No 106 dated 30-6-1955, as per extract enclosed with the letter No El PR 7-C/55-6 dated 27th September 1955 in the collection, transfer of the Provident Fund accumulation to the credit of the employees may even now be effected, as this has no bearing on S R C proposals

The question of extending the benefits of Pensio Rules to these employees from 1-10-1953, date of merger, counting their services from 11-5-1950, date of revocation of Municipal License by the Madras Govt also, in my opinion, need not wait for decision on S R C as this benefit if now conceded, will necessar have to be agreed to even by the future State ~~may~~ that may administrate this area It is more than two years

since Bellary Electrical Department is undertaken by this Department, the easements of the officials transferred to this Department necessarily have to be decided now

Subject - Providing fund - employees of the Electric concern taken over by Government - refund of amount - clarification requested

---

The Electric concern was handed over to Government on 10-5-53. According to P F rules the P F amount of one Local Body can be transferred to another body if a man takes up his service In this case the service is from a Local body to Government In this office No 2595/50 dated 3-11-50, the Superintending Engineer, Andhra Power System, Vijayawada was therefore addressed to state whether the P F of the Electric staff taken over by Government has to be transferred to Government or to be refunded to the concerned persons The Superintending Engineer, Vijayawada wrote in his P R No 1092 dated 1-6-51 that the transfer of P F of the staff provisionally taken over by Government will be considered when the staff is finally absorbed by Government No communication has been received about the staff absorbed The Chief Accountant Rayalaseema Power System, Bellary, wrote in his Number 1859/53 dated 3-9-53 that the Provident fund amount of the staff taken over by the Government may be transferred to Government as per G O No Ms No 4390 P W D d/29-10-52 When the amount was about to be transferred to Government as per G O Ms No 4390 P W D 29-10-52 the Superintending Engineer, Rayalaseema Power System in his letter No 2254 d/13-10-53 recommended for the refund of the Provident Fund amount to the parties

Now some of the staff transferred to Government are working in Mysore State Bellary District and some in Andhra Government The list of persons finally taken over by Andhra Government and Mysore Government is not available in this office to transfer the amount to Government after 1st October 1953 A petition signed by nine persons has been received to refund the P F amount These persons it is learnt, are not contributing to any Provident Fund under Government Their service is also not recognised as pensionable one

In the circumstances, I request you therefore to let me know whether their provident fund accumulations may be refunded to them or to be transferred to the respective Government after ascertaining the names of each person serving in Andhra and Mysore Governments

Early orders are solicited as the subscribers are urging for final withdrawal of the amount on the ground that they have left the service of the Municipality long back and the Municipality is not contributing anything towards their Provident Fund ever since they have ceased to be Municipal employees and their balances are also not fetching any interest

APPENDIX

TERMS AND CONDITIONS FOR THE REVOCATION OF THE BELLARY ELECTRIC LICENSE, 1921

---

1 The Municipal Council of Bellary (hereinafter referred to as "The Council") shall convey absolutely to the Governor of Madras the assets of the undertaking covered by the Bellary Electric Licence 1921, consisting of the power House plant, Power House Building, power house land and compound, electricity transmission and distribution systems, sub-stations, service lines, meters, stores, testing equipment, tools and plant and accessories (herein after called "the Undertaking") with effect from the eleventh day of May One thousand nine hundred and fifty The Council shall also execute a conveyance deed in favour of the Governor of Madras specifying more particularly the assets of the Undertaking conveyed to him

2 In consideration of the Council agreeing to the revocation of the Bellary Electric Licence, 1921, with effect from the 11th May 1950 and to the conveyance of the Undertaking to the Governor or Madras in accordance with condition 1, the Government of Madras (herein after referred to as "the Government") shall absolve the Council from repayment of the principal amounts of the loans the Council had taken from the Government and from consumers' security deposits invested in the Undertaking for the purposes of capital expenditure of the Undertaking and remaining outstanding as on the 11th May 1950, the loan raised for meeting deficits in operation being excluded for this purpose, and shall pay to the council the total of the principal amounts of the loans the Undertaking had taken from the general funds of the council and from consumers' security deposits invested in the Undertaking for the purposes of capital expenditure of the Undertaking and remaining outstanding as on the 11th May 1950, the loans raised for meeting deficits in operation being excluded for this purpose

3 The council shall, however, pay to the Government the proportionate part of the annual instalments due on the above said loans other than those raised for meeting deficits in operation for the part of the year ending with the 10th May 1950 The Undertaking shall vest in the Government with effect from the 11th May 1950 free from all liabilities and encumbrances and no amount shall be payable by the Government to the council otherwise than as provided in condition 2 on account of the conveyance of the Undertaking to the Government

4 All amounts due to the staff of the Undertaking for the period ending with the 10th May 1950 shall be paid by the council The Superintending Engineer, Andhra Power System, shall be at liberty to take over for employment under him from the 11th May 1950, only such of the staff of the Undertaking as he considers necessary and suitable for employment under him from among those who are willing to accept employment on such pay and conditions of service as are in force in the department of Electricity of the Government The staff so taken over shall be on trial for a period of three months from the said date If, during this trial period, any of them is found unsuitable, his services will be dispensed with, payment being made only for the actual period of trial under the said Electricity Department The others whose services are found satisfactory during the trial period, shall be absorbed in the said Electricity Department with effect from the 11th May 1950 without any commitment in respect of any privileges that might have accrued to them during their service under the council upto the 10th May 1950 In the case of those who are now enjoying the benefits of Contributory Provident Fund under the Council, the accumulated amount of their credit on the 11th May 1950 shall be transferred by the Council to the Governmen to be kept to the credit of the respective members In respect of the members of the inferior electrical subordinates who are not eligible for the benefits of Contributory Provident Fund, the Council shall pay its share of gratuity to which such members may

may be entitled to at the time of their retirement or the termination of the services under the Government In the case of the peon taken over from the Council by the Superintending Engineer, Andhra Power System, the Council shall bear its share of the pensionary contribution

5 The Council shall perform the usual conservancy services at rates to be mutually agreed upon between the parties here to from time to time, provided that such rates shall not exceed the rates in force in the Bellary Municipal area for similar services

6 The revenue accruing from the consumers till the end of the 10th May 1950, shall be credited to the Council and those accruing on and from the 11th May 1950 credited to the Government In the case of meter readings taken during the last few days before the 10th May 1950, the revenue from the date of meter reading to the end of 10th May 1950 shall be computed on a basis to be agreed upon between the Council and the Superintending Engineer, Andhra Power System, and credited to the Council

7 The Council may refund to the consumers their cash deposits with the Council with the interest accrued thereon up to the 10th May 1950 after deducting the amount if any due to the Council

8 In respect of supply of electricity to the Council for street lighting, the Council shall enter into an agreement with the Government Electricity Department in the standard form providing for payment of electricity charges by the Council at the standard tariffs of the Electricity Department

9 All the ledgers, books of account and other documents of the undertaking shall be posted upto the 11th May 1950 and handed over to the Government Electricity Department but the Council shall have access thereto at all reasonable times for the purpose of making all necessary recoveries and closing its accounts until the 10th May 1950
